## Enterprise Iron Receives California Multiple Award Schedule (CMAS) Contracts

**Matawan, New Jersey (Tuesday, April 28<sup>th</sup> 2020)** – [Enterprise Iron Financial Industry Solutions](#) (EI), a company specializing in business operations, technology consulting and managed services, was accepted as an authorized vendor with the California Multiple Award Schedule (CMAS) program, offering a complete suite of **IT and Non-IT Service offerings**.

Enterprise Iron is a consultancy dedicated to the Financial Services Industry and places a special emphasis on the Government and Retirement Services sectors. Enterprise Iron ensures the success of our clients by executing with a high degree of excellence to consistently deliver superior results across Industry Advisory Services, Managed Services and Staff Augmentation Services. More information can be found on our website at <https://enterpriseiron.com/>.

“Enterprise Iron is very excited about both of these awards and the opportunity to partner with California State and local government agencies to assist in delivering their business objectives,” says John Crocker, President and Chief Commercial Officer at Enterprise Iron.

“Our consultants average 18+ years of experience in business and technology operations, product development and management, and program management disciplines. We are flexible and adaptable and have been exceeding client needs since 2002. Enterprise Iron looks forward to leveraging our deep industry experience and implementing best practices to strategically solve many of government’s most challenging issues through our CMAS agreements,” states EI’s CEO, John Polito.

In order to be accepted to the CMAS program, professional service vendors must demonstrate their capabilities through comprehensive and relevant past performance initiatives. California State and local buyers save time and reach better purchasing decisions by procuring through the pre-approved list of CMAS suppliers. A local government agency is defined as any city, county, district, or other local governmental body including the California State University (CSU) and University of California (UC) systems, K-12 public schools and community colleges empowered to expend public funds.

California agencies using the CMAS program for purchases may now contract Enterprise Iron for Information Technology under CMAS Contract Number 3-20-70-3816A or for EI’s Non-Information Technology Services under Contract Number 4-20-03-0817A.
